Grand Knight's Message

Dear Brother Knights, Family Members,
and Honored Clergy,

Yeast is used to make everything from beer to bread, yet most people don't know how to culture this super food at home. The process used to culture yeast can seem complicated at first because it does involve some specific steps, instruments, and chemicals, but it's relatively simple to learn. Once you learn how to culture yeast at home, the process will become second nature. (wikiHow)

Baker's yeast is the common name for the strains of yeast commonly used as a leavening agent in baking bread and bakery products, where it converts the

fermentable sugars present in the dough into carbon dioxide and ethanol. (Wikipedia)

Here are a few definitions of Leavening:

- 1) An agent that causes rising, fermentation, or ferment (American Heritage® Dictionary of the English Language, Fifth Edition)
- 2) A substance used to produce fermentation in dough (Random House Kerneman Webster's College Dictionary)
- 3) An influence that works subtly to lighten or modify something (Wordnet3.0)

Here are some definitions of Culture (Collins English Dictionary):

- 1) The cultivation of microorganisms, as bacteria, or of tissues, for scientific study, medicinal use, etc.
- 2) The product or growth resulting from such cultivation
- 3) The total of the inherited ideas, beliefs, values, and knowledge, which constitute the shared bases of social action
- 4) The total range of activities and ideas of a group of people with shared traditions, which are transmitted and reinforced by member of the group.

So when we say that the Knights of Columbus are promoting the Culture of Life we are talking about two aspects

- 1) The Knights of Columbus are a leavening agent for conversion of hearts to choose life, and
- 2) The Knights of Columbus are a culture in which the decision to choose of life can grow.

Thought for the Month
“Separating Out the Chaff”

Often we put way too much energy into people who do us wrong. When we are fixated on people who annoy or irritate us, we are giving their actions and behavior much more attention than they are due. How can we use that same energy for good this Lent?
