Grand Knight's Message

Dear Brother Knights and Honored Clergy,

For the first time in 44 years, the March for Life was covered by national media and one of the speakers was the Vice President who stated that the administration is committed to promoting a Culture of Life. The large crowd was populated by a great many young people who are committed to promoting respect for life from conception. It has been a long road and a lot of prayers have been said, and it appears that the momentum for respecting life is gaining speed.

Pope Francis sent his support to the March for Life. The Message – sent by the Vatican Secretary of State, Cardinal Pietro Parolin – said Pope Francis “trusts that this event, in which so many American citizens speak out on behalf of the most defenseless of our brothers and sisters, will contribute to a mobilization of conscience in defense of the right to life and effective measures to ensure its adequate legal protection.”

May God Bless you and your family for all you do. May you have a Blessed and Happy New Year.

Vivat Jesus

Thought for the Month
“A Kind Touch”

No one receives faith by force. People aren't attracted to God by dictatorial teachers. A child can be diverted from their faith by a cold, unloving parent perhaps even more effectively than by heretical teaching. Likewise, a kind touch can disarm an angry soul more effectively than any rational argument.
