### **Grand Knight's Message**

Dear Brother Knights and Honored Clergy,

The sight of thousands of young people marching to force the issue of gun control in response to the unending occurrences of shootings in schools is a cry for action. The March for Our Lives involved thousands of young people in cities across the country who are asking themselves if they will be the next victim. There is real fear, and it will not go away after the rallies since there will likely be more shootings.

How are we going to protect schoolchildren when we cannot protect the unborn children?

Based on the significant number of young people at the March for Life in January and the March for Our Lives this month, they are not waiting for adults to assume their responsibility.

We must continually strive to promote the Culture of Life. Now it is not just a matter of being an example for young people, we must advocate for them.

Vivat Jesus  
Scott Muehlbauer

## Thought for the Month "Stones"

Put down your stones and listen.

Listening demands our full attention. When we encounter someone with a different point of view than ours, do we really listen to them to gain a better understanding of their point of view? Or are we too busy picking up stones to hurl at them?

"Jesus, help me to put down my stones and listen."
